

## RAPID REHOUSING LEARNING LAB

---

### **You're invited to participate in the Intensive Rapid Rehousing Learning Lab!**

Attend the Rapid Rehousing Learning Lab to gain the essential knowledge and skills needed to implement rapid rehousing strategies effectively, contributing to the prevention and resolution of homelessness within our communities. This training ensures consistency among providers and case managers, fostering equitable access to high-quality services for all households. Join us to make a tangible difference in ending homelessness through comprehensive, community-wide education and empowerment.

### ***What are the objectives of the Learning Lab?***

- **Introduce best practices for supporting rapid rehousing intake and long-term housing stability**
- **Share tools for navigating progressive financial assistance**
- **Provide a framework for program evaluation and data-driven decision-making**

### ***What should I expect during the Learning Lab?***

- **Trainings led by national experts**
- **Direct assistance with implementing new practices and policies**
- **Opportunities to apply learning from week to week**

### ***Who should be participating in the Learning Lab?***

- **Direct Service Providers**
- **Program Managers**
- **Case Managers**
- **CoC members**
- **Local Funders**

### ***What is the commitment for the Learning Lab?***

- **April 29 – July 29, 2024**
- **8 weeks of foundational topics**
- **3 weeks of coaching and practice**
- **Average of 2 hours per week**

**Specific Dates and Times are TBD. Once specific times and dates are determined, we will update everyone on our list and send out registration forms. Please contact Frida Ochoa at 541-488-1223 or by email at [fochoa@accesshelps.org](mailto:fochoa@accesshelps.org) if interested, and we will add you to our list.**
