

## **HMIS Workgroup 9/18 Agenda**

### **Eva Report Refresh:**

We will be starting with a refresh training on the Eva report, as it is a necessary and vital aspect of data quality for all agencies entering data into HMIS.

### **Jackson County HMIS Helpdesk:**

We will be rolling out the Jackson County HMIS helpdesk email this month and detailing how it can be used for HMIS related questions.

### **HUD Verification Training:**

If time allows, we will perform a training on HUD verification. If time is an issue, this training will take place at October's meeting.
